Breakfast Meeting

Saturday Morning, January 13, 2018 9:00 am

Golden Corral, Punta Gorda, Florida

Carl Norberg was born & raised in Flint, MI, home of Buick, Chevrolet and 10 or 15 more car companies that did not survive. He found Jesus at age 17 by God's Grace and was snatched from a wasted lost life.

He graduated as a Mechanical Engineer from General Motors Institute (now Kettering University) and worked in the auto industry (Ay C spark Plug Div. of GM) 36 years. For over 63 years our Lord used Shirley and Carl in many supportive ways at our churches and had plans they could never have seen culminating in the Godmobile Ministry where 1,000's have received Jesus. Come and hear about how God does that at breakfast.

Welcome in 2018 with us. Join us for a morning of Christian fellowship, fine food, and to listen to an encouraging testimony from our Outreach Chairman, Carl Norberg

Ladies always welcome and encouraged to come to our meetings
