Statement of Faith - We Believe (*simply stated*):

That **God** exists. That He is the Creator of the Universe. That God is the Father of mankind. He created the first man and woman in His image. That God's plan for mankind is GOOD!

That **Jesus Christ** is the Son of God. He was born into this world to redeem mankind back to a proper relationship with the Father. Through faith in His death and resurrection, we receive salvation and are reconciled to God.

That the precious **Holy Spirit** of God is working in our lives today, through His giftings and fruit, to bring about the will of the Father. I am personally seeking His fullness in my life.

That the **Holy Bible** is the Word of God to mankind.
